A forest scene at night. In the foreground, a small, glowing yellow creature with a pointed head and simple limbs is walking towards the right. To its right, a large brown bear is sitting on the ground, looking towards the yellow creature. The background features a river flowing through a dense forest of tall trees under a dark blue night sky with a full moon. The overall mood is mysterious and serene.

# How Skwedgy Became a Skwedge

a modern Miluk-based story

The bear was always  
wandering about at night

Always rolling along

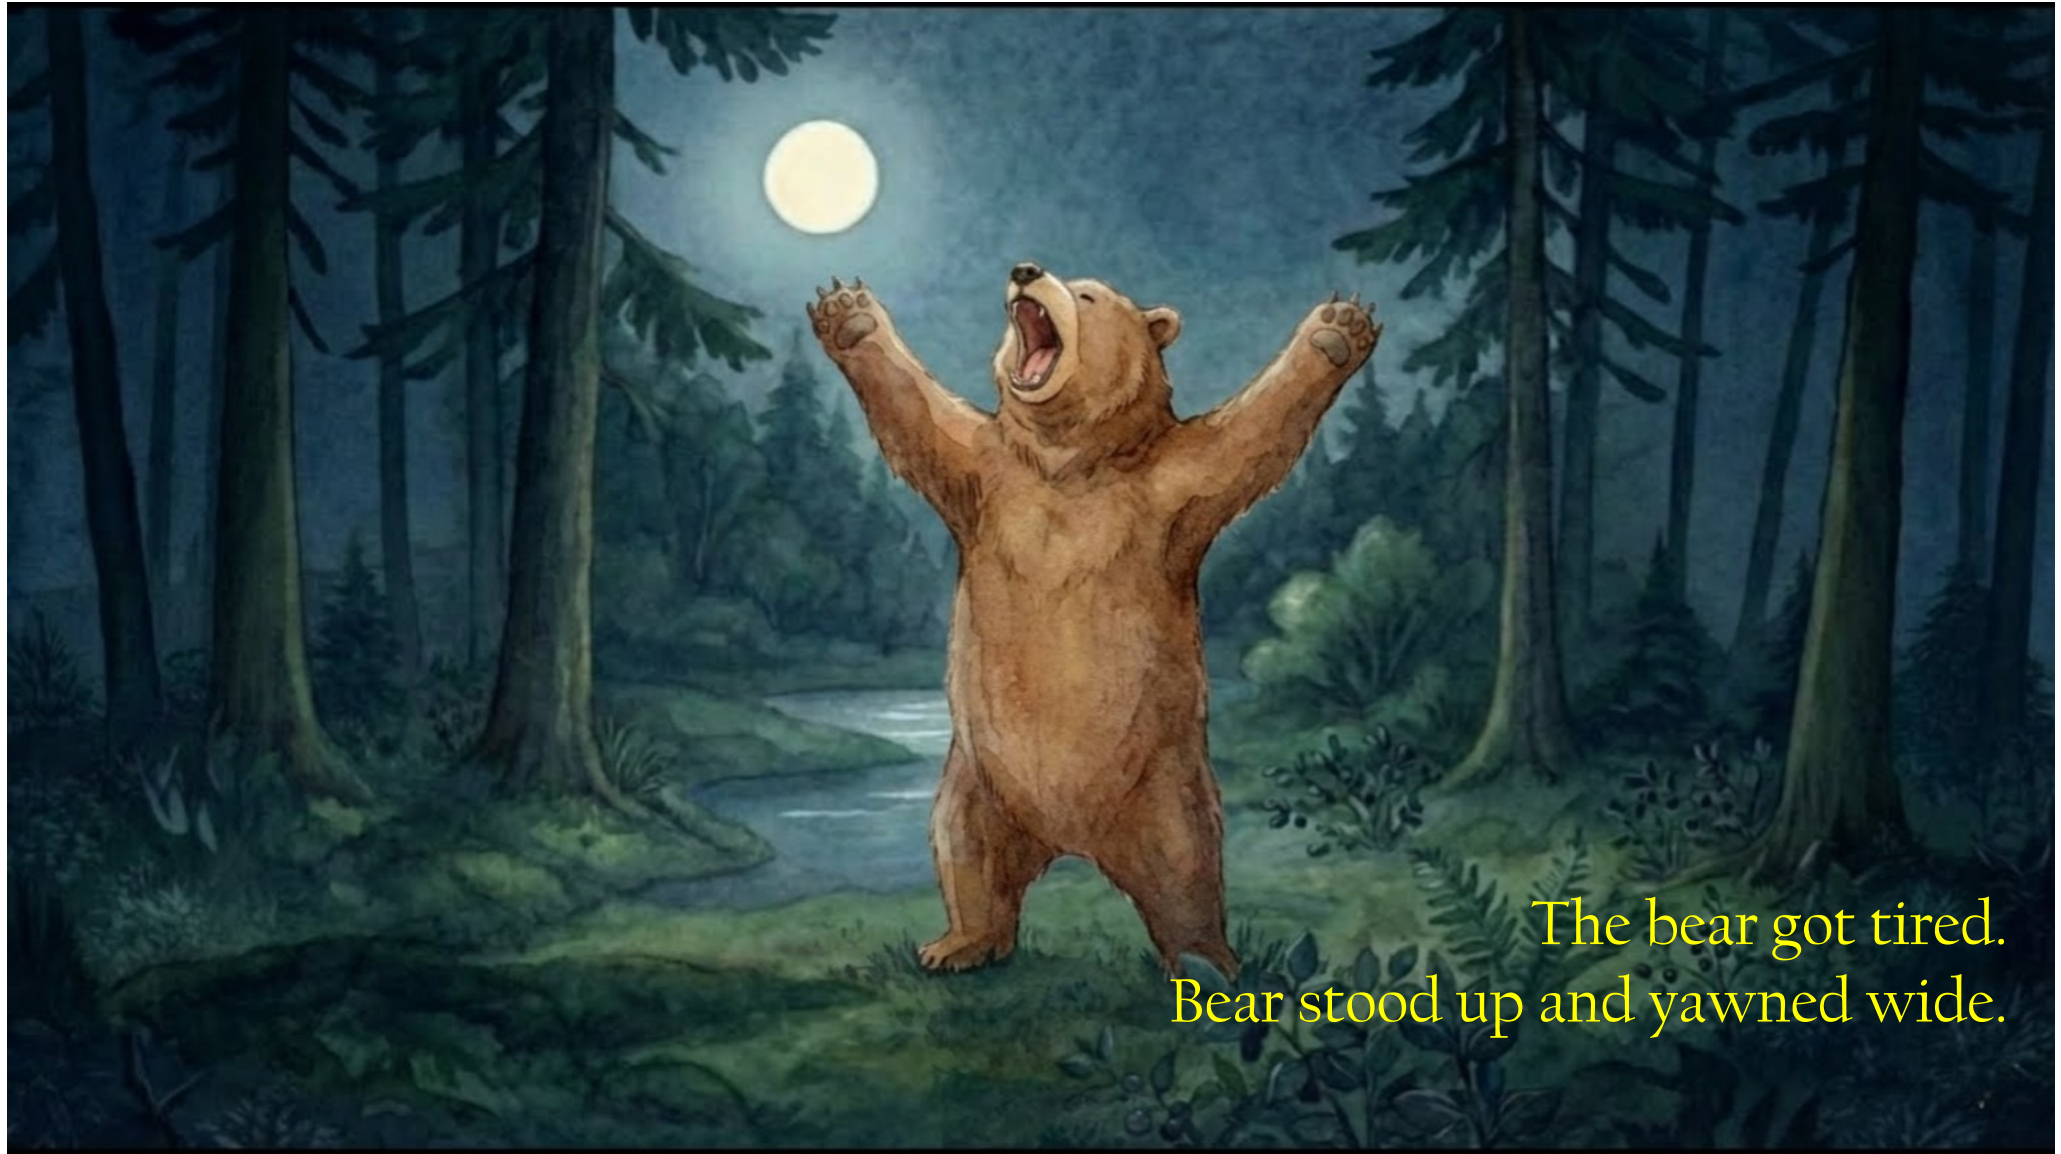

Then, owl flies by

Owl says:  
“Hello, full moon!”

Bear pays little attention  
and keeps rolling

The bear got tired.  
Bear stood up and yawned wide.

Just then, raccoon appeared

Raccoon:  
“Hello, wedge-shaped tool!”

Bear pays little attention  
and keeps yawning

Now bear wanted to  
look at the stars

Bear climbs into a  
tule mat sleeping bag

Then bat flies by

Bat says:  
“Hi, tule mat sleeping bag!”

Bear pays little attention  
and keeps observing the stars

Just then the  
Good luck thing walks up

Hi bear,  
my friend!

Hi good luck thing,  
my friend!

What's the news?

Well, tonight owl called  
me full moon

Raccoon called me  
wedge tool  
Bat called me  
tule mat sleeping bag

Do you want to be all these things?

Bear had to think about this

Bear jumped and said,  
“I do want to be all these things!”

So indeed, bear would become  
all three of these things

The bear, now Skwedgy,  
became a skwedge.

The End
